From Buntingford

... take A10 north towards Royston. Ignore the first Sandon sign, then at Buckland turn left (signposted to Sandon and Therfield)

Then

... follow road a few hundred metres until it turns sharply to the right. At this point go straight on up a long (and bumpy) tree-lined driveway. At the top of the hill follow drive round to the left, then turn right in front of the first building and go past a couple of small units. Then turn left into a gravelled courtyard and you will see Prêt-a-Portrait straight ahead.
